

Grader/Plow Blades

Part: 9001018 & 9011359

Technical Data:

Make: IPS

9001018 - Blade, Grader, 2-hole

Weight: 38 lbs.

Dim.: 3/4" x 9" x 21-3/8"

9011359 - Blade, Plow, 3-hole

Weight: 54 lbs.

Dim.: 3/4" x 9" x 29-3/4"

- multiple height settings for increased life span
- additional hard-facing on blade edges

Description: Precision cut by water-jet from 3/4", heavy-duty AR400 plate for Ballast Regulators. Each mounting location boasts three different height-locating holes, drastically increasing the usable wear-life of the blade.

IPS Grader/Plow blades also come with additional hard-facing on the wearing edges of the blades, dramatically extending the time needed between repositioning or replacement.
