

TrakRat Rail Carts

Part: LT1250A & LT1500A

Technical Data:

Make:	TrakRat		
Weight:	LT1250A –	150 lbs.	
	LT1500A –	215 lbs.	
Payload Capacity:	LT1250A –	2,800 lbs.	
	LT1500A –	3,400 lbs.	
Deck Dim.:	LT1250A	30" x 71"	
	LT1500A	45" x 71"	

- Lightweight, detachable axle assemblies with 8" dia. wheels for easy transportation
- Twin, independently activated brake discs and calipers
- Reassembles in seconds with 2 captive handwheel locating bolts

Description: The amazing lightweight design of the TrakRat Rail Cart makes it the ideal field unit for difficult locations. Already extremely light, it breaks down further into three components (the deck and 2 axles) for manual transportation to the track site where it can be quickly reassembled. Disc-and-caliper failsafe brakes provide long-lasting safety for the cart operation while the raised push bar allows ergonomic movement of tools and light weight machinery around work sites. Two TrakRats at a time can be linked together for joint operation with larger loads.

Tech Data

Item:	<u>LT1250A</u>	<u>LT1500A</u>
Cart Weight (lbs.)	150	215
Deck Weight (lbs.)	79	108
Wheel Ass'y Wt. (lbs.)	42	53
Payload Capacity (lbs.)	2800	3400
Deck Length (inches)	30	45
Deck Width (inches)	71	71
Deck Height (inches)	13	13
Deck Construction	Aluminum	Aluminum
Wheel Diameter (inches)	8	8
Linkability	2 carts	2 carts
Brakes	Failsafe twin steel discs, pushrod activated	

Cart Options & Replaceable Parts

Part #	Description	Wt.
LT1250A	Trakrat Rail Cart 1250A*	150 lbs.
LT1500A	Trakrat Rail Cart 1500A*	215 lbs.
RAI-050	Axle, SS	0.5 lbs.
RAI-072	Wheel, Insulated w/ Bearing	9.0 lbs.
RAI-542	Brake Handle	3.0 lbs.
RAI-550	Push Handle	7.2 lbs.
RAI-900	Brace w/ Eyelets	6.0 lbs.
RAI-910	Tool Tray, Aluminum	18.0 lbs.
RAI-920	Brace w/o Eyelets	5.2 lbs.
RAI-990	Wheel Wear Gauge	2.4 lbs.
RAI-999	Brake Test Tool	2.0 lbs.

- LT1250A & LT1500A carts come with 1 Push Handle and 1 Brake Handle
