Description: The RoadMaster heavy-duty wheel-set rack is a specially designed 60' long x 81-3/8" deep x 15" high storage rack for large wheel sets. The storage rack is capable of holding 61 wheel sets on an off-set base rack which will hold the wheel sets stable while further wheel sets are stacked higher atop it. Safety red paint finish. *Also available in 40' version (2310077A).
